EXPLANATORY NOTES

Cost Disclosure:

Total Retirement Savings Charges comprise of four components:

- **Investment Charges:** Investment management fees, including all charges of underlying investment funds and transaction costs.
- **Advice Charges:** Advice fees, including investment consulting fees not included in investment charges.
- **Admin Charges:** Administration costs, which in Sentinel's self-administered model, includes personnel, information technology and operational costs (includes member & pensioner communication, counselling and advice).
- **Other Charges:** Other costs and fees including legal, professional & consulting fees, audit fees, board fees, FSCA levies, insurance, actuarial fees and reporting costs.

Investment returns: returns reported are after Total Retirement Savings Charges have been deducted. In order to calculate the 1-year **gross** investment return, the 1-year total charges should be added to the 1-year net investment return.
